

CAMPER NAME (PLEASE PRINT) _____

Laurel Ridge brings people together in a community of Christ where we love and care for one another. To join the 2012 College Age Camp Community, we ask that you meet the following expectations. By signing your name, you make a covenant (a mutual agreement) with the community.

To make College Age Camp a great experience and get the most out of it, I agree to do the following:

COLLEGE AGE CAMP COVENANT

- **I will treat my camp friends, counselors and staff with love and respect.**
- **I will attend all scheduled events and meals.**
- **I will bring no fireworks, illegal drugs, knives, firearms, or any other potentially destructive items. If I do, I understand that they will be confiscated and that I may be asked to leave the camp and return home.**
- **I will abide by the Laurel Ridge no smoking policy and not bring cigarettes or any other tobacco products to camp.**
- **I will not bring alcohol onto camp property, nor will I leave camp property during the scheduled camp session and consume alcohol.**
- **I will leave my cell phone/laptop in my cabin during group activities. I understand that I will be able to use it during free time but I will engage myself fully in the scheduled program.**
- **I will take care of myself. I will enjoy myself.**
- **I will leave my car parked and surrender my keys if I drive my car to camp.**
- **I will not leave camp property at any time between check-in and check-out. If I do leave camp I understand that I may not be allowed to return to complete scheduled activities.**
- **I will follow the other rules assigned by the deans, my counselors and the camp director.**
- **I will dress appropriately at camp, realizing that there is no need in a Christian Community to call undue attention to myself by what I wear.**
- **I will not take part in any pranks after the lights out bell has rung. If I do, I understand that I will have to restore any property back to its original condition, willingly submit to consequences of my actions and could very well jeopardize my being able to return to camp.**
