Laurel Ridge brings people together in a community of Christ where we love and care for one another. To join the 2010 Junior High Camp Community, we ask that you meet the following expectations. By signing your name, you make a covenant (a mutual agreement) with the community. We also ask that one of your parents (or a guardian) read and sign the covenant because their understanding and support is important.

## JUNIOR HIGH CAMP COVENANT

**To make Junior High Camp a great week and get the most out of it, I agree to do the following:**

- **I will treat my camp friends, counselors and staff with love and respect.**
- **I will attend all scheduled events and meals.**
- **I will bring no fireworks, alcohol, illegal drugs, knives, firearms, or any other potentially destructive items. If I do, I understand that they will be confiscated and that I may be asked to leave the camp and return home.**
- **I will abide by the Laurel Ridge No Smoking policy and not bring cigarettes or any other tobacco products to camp.**
- **I will leave all cell phones, pagers, computers, radios, sound systems and electronic games at home. I understand that Ipad or mp3 type systems with earphones are permitted but may only be used at certain times of the day with counselor permission.**
- **NEW - I will not expect to use a cell phone for a camera or a clock. I will bring a camera if I want pictures, and a watch or an alarm clock if I want to know the time.**
- **I will take care of myself. I will enjoy myself.**
- **I will follow the other rules assigned by the deans, my counselors and the camp director.**
- **I will dress appropriately at camp, realizing that there is no need in a Christian Community to call undue attention to myself by what I wear.**
- **I will not take part in any pranks after the lights out bell has rung. If I do, I understand that I will have to restore any property back to its original condition, willingly submit to consequences of my actions and could very well jeopardize my being able to return to camp.**

As a parent or guardian, I have read this covenant and will encourage my teenager to keep the covenant. Though I anticipate no problems, I will be available and ready to come get my teenager if he or she does not keep any part of this agreement.
